Pharma Logica

Pharma Logica is a new pharmacy solution based on the general retail solution LS Retail and Microsoft Dynamics NAV

Microsoft Dynamics NAV is a well-known and proven business system with ERP functionality as: Ledgers, purchasing, inventory, marketing, asset management, etc.

LS Retail is one of the world's most commonly used Retail Solutions and is available in over 137 countries. The solution is fully integrated with NAV and gives you: assortment planning, pricing, campaign management, sales management, logistics (replenishment of the store), customer relationship management (customer clubs), shop functions (cash, back office), etc.

Pharma Logica is the heart of our solution and contains all required functions for a pharmacy according to Swedish legislation. Pharma Logica is fully integrated to Apotekens Service AB.
